★★★★★ VOTE 2018 ★★★★★

The hassle-free voting experience: A practical guide.

For the upcoming June 5, 2018 Gubernatorial Primary Election, here are a few strategies to help make the voting process a more convenient experience for all.

VOTE BY MAIL

SIMPLE. Your ballot arrives in your mailbox.

SMART. Make voting decisions and complete your ballot comfortably at home.

SECURE. Seal your completed ballot in the provided envelope, sign it, add postage and return it by mail promptly so it is received well before June 5, 2018. Starting May 29th, you can deposit your sealed ballot at one of 42 convenient drop-off locations around the county. Or, drop it at the Registrar's office now or at any poll on Election Day.

Tip: Mail Ballot Voters who decide to vote at their polling place should BRING their Mail Ballot to be SURRENDERED, then a new ballot will be issued.

There's still time to sign up for your mail-in ballot. Go to sdvote.com and click on "Vote by Mail"

VOTE ON ELECTION DAY

Mark your selections on the sample ballot in advance so when you go inside the voting booth, you can quickly fill in the official ballot. Be sure to go to your assigned polling location between 7am and 8pm. Look up your assigned poll at sdvote.com.

VOTING PROVISIONALLY. WHAT IS IT? ONLY USE IT AS A LAST RESORT.

As a registered voter in San Diego County, provisional voting protects your ability to vote. If you can't make it to your poll, you forget to bring your mail ballot to the poll, or your name is not on the voter list, it is your right to receive a provisional ballot. But be prepared to spend some time filling out the form on the provisional envelope. Also, if you vote provisionally outside your assigned voting precinct, you may not be voting on all the contests you are eligible to vote on. Here's how to avoid unnecessary provisional voting on Election Day:

Go to your ASSIGNED polling place: See back cover of this pamphlet.

Surrender Your Mail Ballot: If you decide to vote at your ASSIGNED polling place instead of by mail, you should BRING your mail ballot with you to the polls to be SURRENDERED.

Vote and Return Your Mail Ballot: Mail promptly, or deposit your completed mail ballot at a drop-off location PRIOR to Election Day. See drop-off locations in your packet or online: sdvote.com.

YOUR VOTE. YOUR CHOICE.

Election Day can be a hectic time of last minute decisions. Or with a little preparation, the experience can be convenient and easy. Either way, we will ensure every eligible vote is counted.

There's still time to sign up for your mail-in ballot. Go to sdvote.com and click on "Vote by Mail"

JOSH BUTNER

U.S. Navy SEAL (ret.)/Governing Board MBR/Manager

Coming from a long line of men and women who served in uniform dating back to the Civil War, I've always felt a deep obligation to serve my country and my community. I served 23 years as a Navy SEAL, including deployments overseas in Iraq and Afghanistan. I'm a father of three, a small businessman, and a local school board member. I worked my way through college and graduated with help from the GI Bill, so I know firsthand the difference a hand up can make for anyone willing to work hard.

I am grateful for the opportunities my country has given me, but the conditions that allow anyone who works hard to succeed are being eroded by a system that benefits corporations and the wealthy. In Congress, I will hold the executive branch accountable, support tax breaks for middle-class families and small businesses rather than the super wealthy and major corporations, help create more good-paying jobs with benefits that can support a family, make housing and healthcare more affordable, and improve education so every kid has a fair shot in life.

The principles I signed up to defend as a Navy SEAL, and that so many of my brothers and sisters died protecting, are vanishing in Washington. I'm running to re-instill the fundamental American values of honesty and hard work. It's time to put people first, not personal profit or special interest politics.

I would be honored to receive your vote. For more information, please visit www.JoshButnerForCongress.com.

AMMAR CAMPA-NAJJAR

Local Business Owner

My name is Ammar Campa, the people's candidate. I was born in East County, the son of a working class mother who raised me with help from family and neighbors. From my first job as a church janitor to serving in the White House; advocating for small businesses to fighting for American workers: I've devoted my life to service.

I'm not accepting corporate donations. I'm running to give back to my mother's generation, and to all those seeking to live and retire with dignity.

As a Labor Department official, I served working families. As a business owner, I know the burdens we face. Washington may have lost its way, but I haven't. I'm ready to bring our district's common values and common sense to serve the common good.

I've spent years listening to what keeps people up at night. I don't care about your personal politics — I care about your personal health, safety, and financial future.

We need to restore America's basic bargain: opportunity for all; responsibility from all. That begins with a good job.

In Washington, I worked on the only program both sides could agree on: apprenticeship jobs training. The average apprentice makes \$70,000 a year — double the average American's income.

We need more opportunity. There are 6 million job vacancies in manufacturing, construction, healthcare, finance, IT, clean energy and other sectors. I have the experience needed to bring these jobs home.

If you'll be my voice this election, I'll be yours in Washington. Let's get to work.

**DUNCAN HUNTER
U.S. Representative**

It is an honor to serve you in the House of Representatives.

Our lives are impacted everyday by the decisions that are made in Washington, DC. My obligation as your representative is to fight for the best interests of our community and nation.

As a Marine Corps veteran, I believe the fundamental role of government is to provide for a national defense and insure the safety of its citizens. I remain an uncompromising defender of our troops, their families and our veterans. I support a strong military force that is fully-equipped and trained. To properly address emerging threats like North Korea and China, we must provide our men and women in uniform all the resources necessary to meet this responsibility.

A \$20 trillion national debt is a serious threat to our future and borrowing from China to mortgage new spending puts our economy and security at risk. I am committed to ending wasteful spending, exercising fiscal restraint and upholding the highest standards of accountability.

As your representative, my priorities are: supporting a strong military; continuing to cut taxes for working families; promoting small business growth; restoring manufacturing; creating education opportunities; securing our borders and keeping the promise of completing the border wall; and reducing the size of government.

I am proud to have been involved in addressing every one of these issues. With your support, I will continue to fight for the values that make America the greatest nation on earth.

Veteran Military Officer**

AGE: 42

Our Nation is angry and divided. Political parties have broken our trust in government by taking the extreme positions of corporate lobbyists and special interests. But today most voters are independent or moderate, so neither political party represents us. We must elect independent candidates to regain our voice and restore our trust in government.

I recently served as an Army officer in Afghanistan and Korea, and now I am back home asking to serve you in Congress. Our independent campaign is not liberal or conservative. We begin from the center with a calm, reasonable approach to governing, free from the outside influence of lobbyists, corporations, and special interests.

Our focus will be on the national debt, which is larger than any time since World War II. We must make tough choices to cut our trillion-dollar deficits—not in some imaginary 10-year budget plan, but today. It may be difficult for some people to hear about the small, necessary sacrifices, and others will simply be bored by the math. But we must challenge ourselves to face the debt that both political parties have handed us. They will continue to divide and distract us with anger and exaggeration. But we will act responsibly with a detailed, sensible plan to cut the deficit and restore Social Security.

I'm an independent veteran, asking to represent you in Congress. Together, we will restore trust in our government, cut the deficit, and move America in the right direction.

PATRICK MALLOY
Realtor/Small Businessperson

AGE: 51

I'm already against the next war. We spend way too much money overseas on other people's problems when we have problems of our own right here at home. I'm focused on the Middle Class, and those who aspire to get into it. Let's invest that money here Stateside instead of wasting it overseas.

Why does Congress waste time and money? Because we let them, and I won't. I'm a results driven small businessperson. My name is Patrick Malloy. As a local Realtor who makes his living working with Buyers and Sellers, I have experience bringing two opposing sides together, towards one common goal. Congress needs a person with this skillset desperately- Throw me the Ball, get me back in Washington D.C., on your behalf, where I've lived and worked, and I'll bring you back, Jobs, Safety, and a Healthier Middle Class.

I'm not in it for the money- I'm in it to bring back Gun Safety, Single Payer Healthcare, Immigration Reform, and Jobs with hiring preference for locals and Veterans first, especially for those of us on Unemployment- It's time we cut back on the welfare state conveyor belt, and jobs are the best way to do it.

We are at each other's throats the World over for Oil. Sunlight is the best disinfectant. Let's make Peace Profitable, by making solar cheaper than oil, and creating jobs in the process. Thank you, Patrick Malloy.

SHAMUS SAYED
Small Business Owner

I grew up in the district and have lived in San Diego my entire life. Today, I lead one of the county's largest privately owned companies and I'm proud to be running to represent you as a small business owner. I know how to cut through red tape to get things done and I will take that fight to Washington. In Congress, my priorities will be:

Keeping us safe: As former President of FBI Citizens Academy Alumni Association and board member of the Captain's Advisory for San Diego Police Department, I understand what it takes to keep our families safe and it will be my top priority.

Protecting our borders: I'll reform our broken immigration system and protect us against extremists looking to terrorize the American way of life.

Bringing back accountability: Running a local business is similar to serving as an elected official – both must be based on trust. I'll make sure Washington bureaucrats are held accountable to the people of the 50th District.

Ending job killing regulations: I'll slash burdensome regulations and end policies concocted out of DC and Sacramento that hold back small business growth, paving a path to success for owners and workers so our economy can continue to grow.

Fixing health care: Quality, affordable healthcare for every American family is non-negotiable.

Improving education: I'll prioritize funding for our public schools and invest in afterschool programs so every child can reach their God-given potential.

I would be honored to have your vote!

**BILL WELLS
Mayor of El Cajon**

AGE: 55

I am proud of my public service as a conservative mayor, and of a lifetime dedicated to my family, my fellow Americans and God.

Growing up in an impoverished and broken home in East County, I have worked hard every day to put the American dream within reach for working families by cutting taxes, reducing wasteful government regulations and balancing the city budget.

I am running for Congress because I believe my years of leadership and problem solving make me ideally suited to reduce the national debt, build a wall and secure our border, lower taxes and ensure a strong national defense.

As a principled man of faith, I value honesty, integrity and hard work. I stand firmly with Israel, and believe in the Constitution, the Second Amendment and the sanctity of life.

I am also president of a health care company, with a doctorate in clinical psychology. Having served thousands of behavioral health patients, I am certain the time is now to address America's mental health crisis.

My wife, Bettie, our three adult children and four grandchildren join me in this journey to serve you in the 50th Congressional District. I humbly ask for your vote. www.wellsforcongress.com

**JEFF GRIFFITH
Fire Captain/Paramedic**

AGE: 50

Public service defines Jeff Griffith. As a Fire Captain, he leads a firefighting team working tirelessly on public safety. As an elected official these last six years, he has served on the Palomar Health Board, the largest health care district in California and a major regional employer. He knows health care; his dedication on the Board extends to volunteering for Medical Corps. In the past, he served on the County Health Services Advisory Board and provided a link between the community and the San Diego Board of Supervisors.

Jeff Griffith is a trusted advocate on essential matters of public safety and health policy. A long-time San Diego County resident, he is running for the State Senate to bring a practical, independent, and spirited voice to Sacramento. His governing philosophy is to demand accountability and transparency of all public agencies.

Jeff Griffith's priorities include: 1) Encouraging apprenticeships and job creation that provide middle class incomes; 2) Ensuring greater fire protection through workable public-private partnerships that address the issues of drought, a lengthening fire season, and increasing fuel density; 3) Focusing on quality, affordable health care for everyone. 4) Increasing access to behavioral health services while dealing more effectively with the opioid crisis; 5) Finding innovative ways to reverse the student debt crisis; and 6) Mitigating traffic congestion, especially as it affects emergency routes and the important urban-wildlife interface.

Vote Jeff Griffith for State Senate, the common sense choice who will serve the common good.

I am a respected consumer attorney, father, coach, community leader, married with six children and two grandchildren.

I've spent my entire career fighting powerful special interests on behalf of everyday citizens and winning to ensure we get a fair deal! I stood up to big banks to protect the homes of 300 families from foreclosure.

I Strongly Support: (1) Good Paying Jobs / Strong Local Businesses; (2) Quality, Affordable Healthcare for All (SB 562); (3) Fully Funded Public Education (K-College); (4) Sustainable Renewable Energy Grid by 2030; (5) Comprehensive Immigration Reform; (6) Affordable Housing / Homeless Solutions; (7) Traffic Relief / Sprinter Light Rail From Temecula to Mission Valley.

MARIE WALDRON

Businessowner/Assemblymember

I Support:

Our hardworking families and businesses with Job Creation by cutting taxes and burdensome regulations

Expanding our roads and freeway infrastructure to relieve traffic congestion.

Strong Education for career technical job training and success.

Proven Taxfighter: Californians are over taxed: the highest in the nation! I recognize the struggle to make ends meet. I oppose gas taxes and fees that stifle our poor, underserved and middle class.

I Mean Business: As small businessowner for 24 years, I understand the impact of unfair government regulations and fees. Business growth means success, jobs and employment; a pathway from poverty to independence.

Education dollars should be spent in the classroom to help teachers do their job and students succeed – not on bureaucrats. School choice and competition benefit our students.

Proven Record: As a city councilmember in Escondido for 14 years, I supported a balanced budget, water affordability and protecting individual liberties. Water storage, desalinization and water reclamation are critical for our prosperity as a region. I've continued fighting for you as your State Assemblymember.

As a parent, I'm concerned about our children's future and their safety. I stand to protect our traditional family values and our veterans for benefits, housing and healthcare.

Active over 25 years in our community and church, I support many local civic organizations, was a Little League parent and am a member of the YMCA. My husband and I work to create the successful "Cruisin' Grand" hotrod event in downtown Escondido for the past 19 years.

VICKI ROTHMAN
Attorney/Mediator/Business Owner

AGE: 56

I bring understanding to the bench of what it is like to be a private citizen. I became an attorney in 2004 while I was married working mother. I attended a school that allowed me to manage other responsibilities while earning my degree. I passed the Bar Exam on my first attempt and also passed the California Certified Family Law Specialists Exam.

For over a decade I have worked diligently in civil and family law litigation. I handled high conflict cases involving child abuse, custody disputes and domestic violence. I represented families through challenging times with patience, compassion and wisdom.

In addition to litigation, I have mediated many family law cases. Mediation has taught me skills to understand both sides of a case, which is necessary for a fair judge.

I have volunteered free legal services to young women who were victims of assaults and domestic abuse. I would ensure that those who commit violent crimes, domestic violence and child abuse would be punished to the fullest extent allowed by law. I will always remember that the bench belongs to the people and that it is an honor to serve the people.

JAG to Judge!

As a Prosecutor (Deputy District Attorney), I fight daily in court for crime victims and to prioritize public safety. The San Diego Deputy Sheriffs Association, San Diego Police Officers Association, numerous other police and fire associations, and judges have endorsed me. I am proud to be law enforcement's choice.

As a 16-year Marine (now reservist) I continue to defend my country as I did when I deployed with infantry battalions to Iraq and Afghanistan. I proudly share veterans' values of honor, courage, and commitment. My extensive experience presiding over scores of preliminary hearings from the bench in military court along with my duties as a Prosecutor demonstrate my unparalleled qualifications.

Our courts are crucial to addressing the public health substance abuse crisis plaguing our communities. I support and have seen successful outcomes from Homeless, Drug, and Veterans Court programs that address causes of crime to combat recidivism.

I am a USD Law School honors graduate. I will uphold the highest ethical standards San Diegans demand from their judges. On the bench, as in life, I firmly believe in professionalism, ethical conduct, and fair and equitable treatment for all.

GARY KREEP

Superior Court Judge

In June, 2012, the voters honored me by electing me a Superior Court Judge, over the opposition of the political establishment, the judicial and legal establishments, and special interest groups.

Before being elected judge, I practiced law for 37 years, mostly handling constitutional and civil rights litigation. As one of the few judges in San Diego County that did not work for a government agency, I have a different perspective than most judges.

My Bachelors degree is from the University of California at San Diego, and I am a graduate of the University of San Diego School of Law.

Since being sworn in, I have handled criminal, civil, small claims, traffic, and unlawful detainer (eviction) cases, handling over 50,000 eviction and civil cases since 2014.

All parties to all cases deserve to be treated with dignity and respect. I insist upon that in my courtroom. It is important to listen to the parties, to allow them to be heard, and to explain the decisions that are handed down. This has earned me the support of a number of judges.

As a judge, I have always been fair and guided by the law. And I pledge to always defend the Constitution.

COUNTY OF SAN DIEGO
Judge of the Superior Court – Office No. 37

STEVE MILLER
Former Federal Prosecutor

I was born into a San Diego family dedicated to protecting and improving San Diego County. I continued that tradition by spending my entire career protecting our community as a criminal prosecutor.

I graduated from Dartmouth College and U.S.C. Law School. I worked for the California Attorney General's Office, writing briefs in criminal appeals. As a Deputy City Attorney for San Diego, I tried numerous criminal cases, becoming a Supervising Trial Deputy and training other Deputies.

I was an Assistant United States Attorney for 27 years. As a federal prosecutor, I handled scores of trials, and over 100 federal appeals in the Ninth Circuit.

While a federal prosecutor, I was a Special Deputy District Attorney, and prosecuted violent recidivists in the Superior Court of San Diego. I was an instructor of trial advocacy in the National College of District Attorneys.

With extensive trial and appellate experience prosecuting criminal matters in state and federal courts, I am the candidate with the most experience, the best experience, and the experience needed to serve fairly and judiciously as a judge in San Diego County's Superior Court.

The experience of a prosecutor, not a politician.

Vote for Steve Miller for Superior Court Judge.

TIM NADER
Deputy Attorney General

AGE: 60

Tim Nader is fair, experienced and independent.

Tim was a criminal prosecutor for seven years, and a child support lawyer six years. For nine years, Tim worked in the Civil Division for the California Attorney General, handling some of the state's most complex cases.

Tim was Mayor of Chula Vista, our County's second-largest city, and serves on the Board at Southwestern Community College.

As Mayor, Tim's leadership expanded the police department and created new youth programs, leading to less crime.

When Tim was elected to the College Board, it was embroiled in scandal and accreditation was threatened. Tim led a turnaround, ordering cooperation with an investigation that obtained criminal convictions of those abusing their positions; full accreditation was re-established. Today, Southwestern is a leader in prisoner education which reduces recidivism by about half.

Tim has conducted fair hearings on difficult and controversial issues. Tim was recognized by college journalists for defending the First Amendment.

Tim's record proves his highest priorities are public safety and the constitutional rights of crime victims and people of all backgrounds and faiths. Tim believes our courts should be non-partisan and should protect the rights of all law-abiding citizens to safe streets, schools and homes.

VICTOR TORRES
Attorney at Law

AGE: 59

I believe in the Constitution and the Rule of Law. As a trial attorney for 28 years, I take my oath to uphold these principles seriously. A judge must decide cases based on the law and the facts as they are, and have the courage to resist public pressure to legislate from the bench.

Our bench needs more diversity. Not just ethnic diversity, but diversity of life experiences and career perspective. We need more lawyers who have been small business owners who have managed payroll and mortgages. Our bench is already top-heavy with former prosecutors and government lawyers.

I am independent; not affiliated with any political party. Political agendas have no place on the court. A judge must remain impartial and maintain the highest integrity.

I have held leadership positions in the SD County Bar Association, San Diego Gang Commission, and various boards at my alma mater, the University of San Diego.

As a native San Diegan, I graduated from Sweetwater High, Southwestern College, and the USD undergraduate and law school. I have a well-rounded legal background with a true San Diego perspective. Vote for Independence and Integrity for San Diego!

COUNTY OF SAN DIEGO
Board of Supervisors – District No. 5

JACQUELINE ARSIVAUD
Entrepreneur/Community Leader

Public trust is being eroded because our supervisors don't stick to the rules—the very rules they've created.

I won't take campaign donations from developers so I can make land use decisions untainted by appearance of back door dealing. I'll publish my meeting calendar, work with colleagues to roll back the supervisors' pay increases, hold evening meetings to accommodate the public, and expedite regulations for building where consistent with the General Plan. Novel solutions to housing affordability are possible without paving over the countryside. I'll create opportunity for working families to help limit long commutes.

I'm a successful tech industry businesswoman uniquely positioned to bring tech jobs and develop a seed fund to encourage local start-ups. I will protect the County's fiscal integrity because I understand how to manage finances.

I've served my community pro bono for more than a decade and led our effort to update the County's General Plan. I know how to craft win-win solutions for San Diego County.

We need a supervisor who will fight against elite special interests who've dominated County politics. Let's define our own future and preserve our quality of life. I would be honored to have your vote. www.Jacquelinefor2018.com.

JIM DESMOND
Mayor of San Marcos/Airline Captain

AGE: 61

As Mayor of San Marcos, I delivered balanced budgets with strong reserves, pension reform, a major reduction in crime, and improved infrastructure.

My plan as Supervisor: maintain a fiscally responsible budget, reduce congestion and improve traffic flow on the 78, I-5, and I-15, keep our streets and neighborhoods safe, and our business and agriculture economy booming.

My balanced approach towards growth preserves community character and ensures essential infrastructure while protecting property rights and open space.

My background: I am a U.S. Navy veteran and a graduate of San Diego State University with a degree in Electrical Engineering. I have been an airline pilot/captain for thirty-two years. After the Navy, my wife Kerri and I settled in North County and raised our two children. I've been a Boy Scout leader and school parent/teacher president.

I am running for Supervisor to make North County the best possible place to live. Please join me in this effort.

MICHELLE GOMEZ
Commissioner/Legislative Analyst

As your County Supervisor, I will fight to protect our County General Plan to stop overdevelopment of our neighborhoods and rural lands; create new jobs in technology and emerging fields; improve public safety; protect our coastline and open space; improve libraries and parks; fight for Community Choice Energy; and strengthen fire protection.

As a County Commissioner on the San Diego County Commission on the Status of Women and Girls, I'm leading the charge in the fight to end human trafficking, help solve homelessness and stop domestic violence.

As a City Commissioner on the Oceanside Housing Commission, I'm working to generate more affordable housing and supportive housing to end homelessness, and create expanded opportunities for seniors, young people, underserved communities and the disabled.

I'm the proud daughter and spouse of Marine Corps veterans, and am honored to have been awarded the President's Volunteer Service Award four times for my work in the community assisting military families and veterans.

I'm a forward-thinking problem solver with a proven track record of delivering results. I will give North County the strong voice we need on the San Diego County Board of Supervisors.

JEROME M. "JERRY" KERN
Councilmember

I am running for Supervisor to protect our quality of life and ensure North County receives the services we deserve.

I will fight to protect taxpayers, solve our traffic problems, protect public safety, and grow our local economy with good-paying jobs while standing up to downtown San Diego politicians and special interests who don't understand or care about North County needs.

My wife and I have lived in North County for more than 40 years. I have served as a member of the armed forces, a public school teacher, founder of a pioneering charter school, president of the local Chamber of Commerce, and as an elected official with a record of standing up to special interests.

As an Oceanside Councilmember, I have fought to hold the line on city spending, supported pro-jobs policies, upgraded police and fire protection, got tough on gang violence, and addressed homelessness. As a result, Oceanside has brought in high-paying jobs, vibrant restaurants, and new amenities to serve the public.

As Supervisor, I will be the effective advocate that North County deserves. That's why I am supported by local elected officials and community leaders, not downtown politicians and special interests.

**BILL GORE
Sheriff**

San Diego is the safest urban county in America. As Sheriff since 2009, I've managed the department's 4,300 employees and \$823 million budget while developing approaches and innovations that have lowered crime rates in every category.

Crime in San Diego County is at a 35-year low because of strong inter-agency cooperation in the region. In addition to containing the 8th largest city in America, we are located along the busiest land border crossing in the world, which creates additional challenges including human trafficking, drug trafficking, and even terrorism. Federal, state, local agencies work together to prevent crime and make sure those who threaten our communities are held accountable.

I am proud to have the endorsements of many of the important local law enforcement organizations I work with everyday including the Deputy Sheriffs Association, Deputy District Attorneys Association, National Latino Peace Officers Association, and San Diego Police Officers Association.

Community organizations endorsing my reelection include the Latino American Political Association and the Mexican American Business and Professional Association.

I am very proud that San Diego is the safest urban county in America and I ask for your vote to serve you for four more years.

**COUNTY OF SAN DIEGO

**DAVE MYERS
Commander, Sheriff's Department**

AGE: 56

Dave Myers is a lifelong San Diego County resident and 32-year veteran of the San Diego County Sheriff's Department.

Dave Myers has mentored and supervised hundreds of deputies. He's led teams of local, state, and federal officers to attack crimes like drug smuggling, human trafficking, and murder.

As Sheriff, Dave Myers will be accountable and rebuild community trust in the department. Law enforcement officers must leave their offices and patrol cars and get back into our neighborhoods.

Dave Myers will recruit young men and women from all neighborhoods into law enforcement careers. Myers founded The Sheriff's Youth Advisory Group so young people could have a voice.

Dave Myers will reassess use of force policies and emphasize de-escalation. He wrote the department's first body-worn camera proposal to protect residents and deputies.

Dave Myers will reform county jails to comply with CDC standards for disease prevention and women's health. Myers favors treatment over incarceration for non-violent offenders. We can't continue using county jails to house the homeless. We need long-term solutions.

Dave's endorsed by the San Diego-Imperial Counties Labor Council because he supports hardworking middle-class people and progressive values. Dave's the only candidate to work his way up through the ranks.
